## Summary

From the moment I created "Hello World" in the website's dashboard with my first website, I knew I was drawn to the world of web development. This field provides an engaging challenge to continuously learn and improve my skills in creating high-quality website. Below you will find projects I have completed that demonstrate my skills and general background in web development.

## Experience

### Social Media Web App

- Live: <https://sociopedia-web.netlify.app/>
- Techs: React, React Router, Redux Toolkit, Formik & Yup, Node.js, Express.js, MongoDB, MUI Design System
- Features: JWT authentication – News Feed display – Post management (create, edit, view and delete) – Post interaction (like/ dislike posts, view and add comments) – Friends list management – User profile display – Light/Dark mode – Fully responsive design

### Workout Tracker Web App

- Github: <https://github.com/nguyetha79/Workout-Tracker-WebApp/tree/main>
- Techs: React, React Router, Node.js, Express.js, Form validation, MongoDB
- Features: JWT authentication – Workout list display – Search by title – Workout management (CRUD)

### Search Behaviour Survey Web App

- Live: <https://firsurvey.netlify.app/>
- Techs: React, React Router, Survey.js, Node.js, Express.js, MongoDB
- Features: Surveys customization with various question types – Efficient data integration from database and back-end service – Information retrieval system using Google Custom Search JSON API and OPEN AI API

## Skills

**Front-end:** Javascript – HTML5 – CSS3 – React – Styled components – React Router

**Back-end:** Java (Object-oriented programming) – Node.js – Express.js – MongoDB – PostgreSQL

**Others:** GIT – Figma – UI/UX Design

**Soft skills:** Communication – Teamwork – Adaptability – Problem-solving – Logical-thinking

## Education

OCTOBER 2021 - CURRENT

**Bachelor of Arts Media Informatics & Information Science | University of Regensburg | Regensburg, Germany**

MARCH 2020 - FEBRUARY 2021

**Preparatory course | Studienkolleg Sachsen | Leipzig, Germany**

## Languages

**Vietnamese:** Mother tongue

**German:** C1 - Certificate of the assessment examination at the Studienkolleg Sachsen

**English:** Intermediate - good working knowledge
