From the moment I created "Hello World" in the dashboard with my first website, I knew I was drawn to the world of web development. This field provides an engaging challenge to continuously learn and improve my skills in creating high-quality website. Below you will find projects I have completed that demonstrate my skills and general background in web development.

Education

University of Regensburg | Regensburg, Germany   *October 2021 - Current*

- Bachelor of Arts Media Informatics & Information Science
- Relevant Coursework: Practical Computer Science, Multimedia Engineering, Modern Web Application, Web Development and Web Design, Usability Engineering, Foundation of HCI

Studienkolleg Sachsen | Leipzig, Germany   *March 2020 - February 2021*

Projects

Social Media Web App

- Live: https://sociopedia-web.netlify.app/
- Techs: React, React Router, Redux Toolkit, MUI, Formik & Yup, Node.js, Express.js, MongoDB
- Features: JWT authentication – News Feed display – Post management (create, edit, view and delete) – Post interaction (like/ dislike posts, view and add comments) – Friends list management – User profile display – Light/Dark mode – Fully responsive design

Workout Tracker Web App

- Github: https://github.com/nguyetha79/Workout-Tracker-WebApp/tree/main
- Techs: React, React Router, Node.js, Express.js, Form validation, MongoDB
- Features: JWT authentication – Workout list management (CRUD) – Search by title

Search Behaviour Survey Web App

- Live: https://firsurvey.netlify.app/
- Techs: React, React Router, Survey.js, Node.js, Express.js, MongoDB
- Features: Surveys customization – Efficient data integration from database and back-end service – Information retrieval system using Google Custom Search JSON API and OPEN AI API

Skills

Technical skills

- Front-end: JavaScript – HTML5 – CSS3 – React – React Router – Styled Components
- Back-end: Java – Node.js – Express.js – MongoDB – PostgreSQL
- Others: GIT – Figma – UI/UX Design

Soft skills: Communication – Teamwork – Adaptability – Problem-solving – Logical-thinking

Languages:

- Vietnamese – Native proficiency
- German – C1 - Certificate of the assessment examination (Studienkolleg Sachsen)
- English – Intermediate - good working knowledge
